~~SECRETARY GENERAL OF~~ For the information of receiving offices, Dr. ORLANDO BOSCH served as the Secretary General of an anti-Castro organization in the United States known as "Movimiento Insurreccional de Recuperacion Revolucionario" (MIRR). In 1968 he was convicted and sentenced to 10 years imprisonment for his part in shelling a Polish freighter harbored at Miami, Florida. He was released from the United States Penitentiary at Marion, Illinois, on 12/15/72. As of 1/31/75 he served as a member of the Executive Assembly of an anti-Castro group in the United States known as the "Cubania Beligerante". The Cubania Beligerante is reportedly a loosely organized group originally formed during October, 1974, in Miami, Florida. According to Miami source MM 2960-S, the Cubania Beligerante has not advocated the use of force to overthrow FIDEL CASTRO, but they are attempting to gain political control in order to influence the United States Government in its Latin American policies.
